20.2 Full details of the required documentation will be provided, and we may ask **your Adviser** for up-to-date information in order to maintain current records as required by the statutory regulations.

21.0 COMPLAINTS

21.1 If you have any complaints about any service you have received in relation to **these Terms**, you should contact the Compliance Officer, Bowmore Asset Management Ltd, Office address One Heddon Street, Mayfair, London, W1B 4BD, United Kingdom.

21.2 We will investigate your complaint in accordance with our written complaints procedures which are available on request. If you are dissatisfied with the progress or outcome of the investigation into your complaint you have the right to refer matters to **FOS**.

21.3 Where the complaint arises from the provision of custody, dealing and settlement services, we shall forward your complaint to the provider of these services and manage its resolution on your behalf.

21.4 We may engage our **Compliance Consultants** in the complaint's investigation process.

22.0 COMPENSATION

22.1 We have in place Professional Indemnity insurance and comply with the Capital Adequacy requirements of the **FCA** which require us to hold substantial asset balances on our account.

22.2 In common with all similar investment firms we participate in the **UK's** Financial Services Compensation Scheme. The scheme provides a measure of protection where a firm is unable to meet its obligations, a summary of which can be found in Section 2, Part 6 of these Terms and for more information on the scheme and the rules about eligibility, please refer to www.fscs.org.uk; telephone 020 7892 7300.

22.3 We may introduce you to or make arrangements with a view to another person carrying on investment business with you from a non-**UK** location. In that case, all or most of the protections provided by the **UK** regulatory systems do not apply and such business will generally be excluded from the scope of any **UK** compensation scheme.

SECTION 2: SPECIFIC SERVICES

DISCRETIONARY INVESTMENT MANAGEMENT

1.0 OUR DISCRETIONARY INVESTMENT MANAGEMENT SERVICES

1.1 We will manage your **portfolio** on a discretionary basis in line with the **risk profile** recommended by **your Adviser** and will have full authority without prior reference to you to enter into any transaction or arrangement for your account.

1.2 Suitability of the **portfolio** for your investment needs is the responsibility of **your Adviser**.

1.3 We will only make investment decisions on your behalf where we believe these are suitable in your circumstances and in your best interests.

1.4 When providing services, we will have regard to your investment objectives and degree of risk, or any subsequent agreed changes, and we will rely on any personal and financial information which you disclose.

1.5 Unless you have indicated otherwise, we will assume that there are no investments or types of investment which you do not wish us to purchase.

1.6 Unless you have indicated otherwise, we will assume there are no investments you hold which you do not wish us to sell.

1.7 For the purposes of investment management, your investment objectives and degree of risk will be applied to the composition of your **portfolio**

as a whole and not necessarily to individual investments within it. It is essential that you understand the associated risks and accept the level of risk before committing yourself to any investment. If your investment or other objectives or attitude to risk change, your Adviser will advise us in writing.

1.8 We will assume that there is no restriction on the value of any one investment or the proportion of your **portfolio** which any single investment or any one or more kinds of investment may constitute.

1.9 Subject to the above, or to any other limitations specified by you and to the restrictions and other provisions agreed between us, we may deal in any investments within the scope of our **FCA Permissions** save that we may only deal for you on a discretionary basis in those investments which we have reasonable grounds for believing are suitable for you.

1.10 A General Investment Account (GIA) and certain Trust accounts will be subject to Capital Gains Tax (CGT) on any gains over the annual allowance specified by HMRC. Unless you explicitly informed us not to utilise your CGT allowance in a specific tax year, we will assume that we have the full allowance to use and therefore will manage the portfolio to ensure that we make full use (where possible) of your CGT allowance in each tax year. In some cases, it will be necessary to generate gains over and above your allowance to ensure the portfolio's asset allocation remains in line with the agreed risk profile. If this is the case, we will aim to discuss the tax implications with you before taking any action. There is a specific section in our application form asking you to specify your preference for CGT Management. If you leave this section blank, we will assume you are happy for us to generate gains over and above your allowance in order to keep the portfolio in line with your agreed risk profile.

2.0 OUR DISCRETIONARY ISA AND JISA INVESTMENT MANAGEMENT SERVICES

2.1 We will manage the investments held in your ISA or JISA **portfolio** on a Discretionary basis as set out in your **Client Profile** and **will have full authority without prior reference to you to enter into any transaction or arrangement for your account**. All parts of **these Terms** plus the ISA or JISA Manager's Terms and Conditions will apply in the operation of your ISA or JISA portfolio.

2.2 We will use our discretion to appoint an ISA or JISA Manager authorised by HMRC under the ISA Regulations 1998 (SI 1998 No 1870) as amended, who will be responsible for providing custody, dealing, settlement and administration services for your ISA or JISA. We will be responsible for the suitability of the investments held in your ISA or JISA.

2.3 You understand the importance of reading and understanding these Terms of Business and the ISA or JISA Terms and Conditions provided by the ISA or JISA Manager, which together with the ISA or JISA Application Form will form the formal agreement between you, us and the ISA or JISA Manager.

2.4 Your initial subscription to open an ISA must be made by completion of BAM 'ISA Application Form', which will be a 'continuous' ISA application for the tax year of application and for all subsequent Tax Years until further notice. There will be no need for you to complete a new Isa Application Form, provided that we receive a subscription from you in each subsequent Tax Year. Should we not receive a subscription from you in a subsequent Tax Year, you will be required to complete a new BAM 'ISA Application Form' for the next Tax Year in which you chose to subscribe to your ISA.

2.5 Funds available in a General Investment Account (GIA) will be used to subscribe to your ISA each tax year. If you have a GIA but wish to fund your ISA from outside the portfolio you should make us aware of this as early in the tax year as possible. If you do not have a GIA, but wish to fund your ISA each tax year, you will be required to send in funds (via bank transfer of Cheque) in order to subscribe to your ISA.

3.0 VALUATIONS AND REPORTING

3.1 Investment valuations will be issued quarterly and will include, as a minimum:

- a statement of the contents and valuation of the portfolio, including details of each financial instrument held, its market value, or fair value if market value is unavailable, and the cash balance at the beginning and at the end of the reporting period, and the performance of the portfolio during the reporting period;
- a statement of the total amount of fees and charges incurred during the reporting period, itemising total management fees and total costs associated with execution;
- a comparison of the portfolio's performance during the reporting period with an investment performance benchmark as agreed between us;

- the total amount of dividends, interest and other payments received during the reporting period;
- information about any corporate actions giving rights in relation to financial instruments held within the portfolio; and
- a summary of each transaction executed during the period.

3.2 Valuations will be based on prices obtained from exchanges and other pricing services which we consider to be appropriate. Exchange rates will be included where appropriate.

3.3 We will inform you where the overall value of the portfolio, as evaluated at the beginning of each reporting period, depreciates by 10% and thereafter at multiples of 10%.

3.4 Our nominated provider of custody, dealing and settlement services, in Schedule 1 of **these terms**, will produce a quarterly custody statement of your investments. These will be delivered to you by post.

4.0 OUR RESPONSIBILITY

4.1 We will not be responsible for any loss of opportunity whereby the value of investments could have been increased or for any decline in the value of investments or any taxation charges unless such decline or loss or charge is the direct result of our wilful default or negligence.

4.2 To the extent consistent with the **FCA Rules**, we will not be liable for any errors of fact or judgement or for action lawfully undertaken or omitted to be taken by us unless such errors are the direct result of our wilful default or negligence.

5.0 YOUR RESPONSIBILITY

5.1 You or **your Adviser** will advise us of any changes to your objectives, attitude to risk, contact details and any other information that is relevant to the management of your **portfolio**.

5.2 You acknowledge that:

- the value of investments may go down as well as up;
- levels of income from investments may fluctuate;
- where an investment is denominated in a currency, changes in rates of exchange may have an adverse effect on the value, price or income of the investment; and
- the tax regime applicable to investments may change in the future. Although we may provide personal taxation guidance to you, you acknowledge that it is provided in the context of this service and should not under any circumstances be relied upon by you for the purpose of establishing your taxation liability. You should therefore seek appropriate taxation advice.

6.0 FINANCIAL SERVICES COMPENSATION SCHEME ("FSCS")

Eligibility Rules

You may be eligible to make a claim to the FSCS in the event of a valid claim made in respect of a civil liability owed by us to you in relation to the regulated investment services we have provided to you and where we are in default and unable to pay what is due to you.

The FSCS will investigate such claims and establish whether or not you are eligible to make a claim.

Compensation Limits

The FSCS can pay compensation only for financial loss and there are limits to the amounts of compensation it can pay.

Private individuals are generally protected. However, other types of claimants, such as businesses and charities, may be eligible depending on the type of claim. The maximum level of compensation for claims against firms declared in default on or after 1 January 2010 is £85,000.00 per person per firm.

SCHEDULE 1A – PLATFORM SECURITIES CUSTODY, DEALING AND SETTLEMENT TERMS

Custody of your Investments and money

A1.1 The safeguarding and administration of your assets and cash to be managed by us will be undertaken by Platform Securities LLP (“Platform Securities”). We have, acting as your agent in accordance with **FCA Rules**, entered into an agreement with Platform Securities on behalf of ourselves and on your behalf, to provide settlement, custody and associated services (the “Platform Securities Agreement”). The Platform Securities Agreement contains terms and conditions applicable to you. The principal terms and conditions are set out in this schedule to which we are bound by entering into the Platform Securities Agreement, and to which you are also bound by accepting **these Terms**.

A1.2 Although it is possible for you to place your assets and cash with any authorised custodian, it is a condition of our service that custody of your assets and cash is as detailed in Paragraph 9.1 above. The regulatory safeguards and requirements are the same for all **FCA** firms authorised to offer custodian services and there is no additional risk to you in using our preferred custodian.

A1.3 By accepting **these Terms** you agree that:

- we are authorised to enter into the Platform Securities Agreement on your behalf as your agent on the terms of the Platform Securities Agreement, the terms of which are included in this Schedule 1;
- acceptance of **these Terms** will constitute the formation of a contract between you and us and also between you and Platform Securities (for the purposes of this Schedule 1 only);
- we are authorised to give instructions to Platform Securities, and you agree to any subsequent amendments to the Platform Securities Agreement on your behalf;
- Platform Securities is authorised to transfer cash or investments from your account to meet your settlement or other obligations to Platform Securities and the fees and charges that you have agreed to pay to us; and
- the warranties and indemnities you give in this Schedule 1 are given to both us and Platform Securities.

Terms and Conditions of the Platform Securities Agreement

A2.1 We will remain responsible for the operations and the supervision of your account such as approving account openings, anti-money laundering and Know Your Client (KYC) checks. Platform Securities will be responsible for the custody, dealing and settlement services it provides.

A2.2 You should direct all enquiries regarding your account to us and not to Platform Securities. Platform Securities will not accept instructions from you directly but may correspond with you in respect of any queries or complaints you may have about their services. Platform Securities reserves the right to refuse to hold any securities on your behalf in its custody and nominee service.

A2.3 The following shall apply in relation to the different Accounts:

- (a) partnership accounts – the partners of a partnership will be treated as the customer to Platform Securities and shall be jointly and severally liable to Platform Securities;
- (b) accounts for companies and unincorporated associations – the company or unincorporated association will be treated as the customer to Platform Securities and the directors of the Company or members or participants in an unincorporated association shall, to the extent they have assumed personal liability to us, also be personally liable to Platform Securities for the liabilities and obligations of the company or unincorporated association concerned;
- (c) accounts opened by the trustees of any trust– the trustees will be treated as the customer to Platform Securities and shall be jointly and severally liable to Platform Securities; and
- (d) joint accounts – each such account will be treated as a single customer to Platform Securities, but all participants will be jointly and severally liable to Platform Securities.

Your classification

A3.1 Platform Securities will adopt the same client classification in relation to you as we have determined in Part 4.1 of **these Terms**.

A3.2 Platform securities will rely on information provided by us to them in accordance with **FCA Rules** and will not be responsible for any services in **these terms** other than those detailed in this Schedule 1.

Client money

A4.1 You agree that your money will be held by Platform Securities as “client money” (as defined by the **FCA Rules**), in accordance with the rules of the **FCA** which, among other things, require it to hold your money in a “client bank account” (as defined by the **FCA Rules**) segregated from Platform Securities’ own funds. You agree that where Platform Securities holds your money in a client bank account it may be pooled with other customers of Platform Securities. This means that as part of a pool of money you do not have a claim against a specific sum in a specific account. Your claim is against the client money pool in general.

A4.2 Platform Securities will exercise due skill, care and diligence when selecting and periodically reviewing a bank to hold client money. However, Platform Securities is not responsible for any acts, omissions or default of a bank chosen by it.

A4.3 For the avoidance of doubt, prior to opening a client bank account, Platform Securities shall require from the relevant institution an “acknowledgement of trust” document that satisfies the requirements in rule CASS 7.18.1R of the **FCA Rules**. To the extent required to satisfy the aforementioned CASS rules, such document shall detail that: (i) the relevant institution will not have any recourse or right against the cash held in the client bank account in respect of any sum owed to them, or owed to any third party on any other account, or any right of set-off or counterclaim against cash in the client bank account; and (ii) the relevant institution will be required to release, on demand, all cash standing to the credit of the client bank account except for any charges incurred and due to the bank for the operation of the client bank account.

A4.4 You agree that client money may be passed by Platform Securities to a third party in connection with a transaction for you in a jurisdiction outside the UK. Where your money is held in a credit institution or bank outside the UK or **EEA** the legal and regulatory regime applying to such person may be different to that of the United Kingdom or the **EEA** and your rights in relation to it may, therefore, differ; particularly in the event of a default of such person. In the event of a default of that third party, your client money may be treated differently to the way it would be treated if it were held in the United Kingdom.

A4.5 You consent to Platform Securities placing client money on accounts with notice periods of, or on deposit for fixed terms of, up to 95 days. Platform Securities may place client money in notice or term deposit accounts in order to better spread the risk of default by the institutions they are held with, obtain better rates of interest or avoid charges for depositing client money which may otherwise be passed on to you. Placing client money in notice or term deposit accounts does not in itself affect the ability to deal with or withdraw funds from the accounts. However, such amounts may not be immediately available for distribution to you in the event of default by Platform Securities or by one of the banks with whom such client money is held.

A4.6 Interest will be payable on any uninvested cash balances at a variable rate which may be less than the interest earned. Interest will be calculated on your credit balance on a daily basis and credited to your account every six months, at which point it becomes client money. The variable rates of interest payable will be notified to you on request.

Custody

A5.1 You agree that your investments will be registered in the name of a nominee company controlled by Platform Securities or in the name of a third-party custodian selected by Platform Securities in accordance with **FCA Rules**. Platform Securities is responsible for the acts of its nominees to the same extent as for its own acts including, for the avoidance of doubt, for losses arising from fraud, wilful default or negligence. Acceptance of **these Terms** provides authority for Platform Securities, with respect to this Schedule 1, to hold your investments in safe custody, to transfer securities from its account when they have been sold, to accept offers or other matters covered by this agreement.

A5.2 You consent that your overseas investments may be registered or recorded in the name of an eligible custodian or in the name of Platform Securities in one or more jurisdictions outside of the **UK** or **EEA**. As a consequence of this, investments may not be segregated from investments of an eligible custodian and, therefore, customer protection may be less should a default occur on the part of the person in whose name the investments belonging to you are so recorded. Investments belonging to you which are held overseas may be subject to different settlement, legal and regulatory requirements than those that apply in the **UK** or **EEA**. Platform Securities will not be held liable in the event of a default by a custodian. However, Platform Securities does not disclaim responsibility or losses arising directly from its own fraud, wilful default or negligence.

A5.3 You consent that your Investments registered or recorded in the name of a nominee or custodian (as outlined above) will be pooled with those of one or more of Platform Securities’ other customers. Accordingly, individual entitlements may not be identifiable by separate certificates, physical documents or equivalent electronic entries on the register. In the event of an irreconcilable shortfall following any default of the eligible custodian responsible for pooled investments,

you may not receive your full entitlement and may share in that shortfall pro rata. A further effect of pooling can be that following an allocation or share issue that favours the small investor, your allocation may be less than it otherwise would have been had the investments been registered in your own name. As a result of the pooled nominee structure, any fractional entitlements from a corporate event will be issued to Platform Securities on the cumulative total pool in share form. It is Platform Securities' practice to sell fractional shares at the prevailing market rate and distribute the proceeds amongst the relevant customers in proportion to their holdings, on a pro rata basis. In the event that the fractional shares received are uneconomical to sell and cash to be distributed is £5 or less, Platform Securities will round up relevant customer holdings proportionally. Any remaining small cash balance will become the property of Platform Securities.

A5.4 You consent that Platform Securities, or any eligible custodian will deduct local withholding or other taxes, when required to do so to comply with legal or regulatory requirements. As a consequence of pooling, such deductions may be paid or withheld at rates that are less beneficial than those that might be applicable if the shares were held in your own name. You agree that if you are eligible to reclaim any such deductions this will be your responsibility, not that of Platform Securities or the eligible custodian.

A5.5 As your investments are held on a pooled basis, Platform Securities may receive additional entitlements, for example after corporate actions, that would not have arisen had such investments been registered in your own name. Consequently, you accept that you are not eligible for these additional entitlements. Platform Securities allocates such additional entitlements to an account administered by it and may use them to offset against debits arising on dividends or other corporate events.

A5.6 You consent that all instructions regarding the administration of investments held by Platform Securities on your behalf will be sent to us, for onward transmission to Platform Securities. Platform Securities will not accept instructions from, or send instructions to, you or any third parties, unless a valid power of attorney has been established for this purpose.

A5.7 Platform Securities will inform us of any rights issues, take-over offers, capital reorganisations, conversion or subscription rights that affect any investments that are held for your account by Platform Securities or any eligible custodian as soon as reasonably practicable after receiving notice of those events.

A5.8 Platform Securities will be responsible for claiming and receiving dividends, interest payments and other entitlements accruing (excluding scrip dividends). We will be responsible for instructing Platform Securities to: exercise conversion and subscription rights, deal with takeovers, new issues or other offers or capital, and reorganise exercise of voting rights.

A5.9 Some companies provide benefits to shareholders relating to the nature of their business. These benefits will not necessarily be available to you automatically, as stock will be registered in the name of a nominee company. Should you wish to receive these additional benefits, you should make the necessary arrangements. We will arrange, if you so elect, for you to receive a copy of the annual report and accounts issued by every company or other concern in respect of shares, securities or units which are held in your account with Platform Securities.

Unclaimed Investments and Unclaimed Client Money

A6.1 In circumstances where Platform Securities has held your investments for at least 12 years and during that period of at least 12 years has not received any instructions relating to those investments and provided they have made all reasonable attempts during the 12-year period to notify, trace and contact you, Platform Securities may either: (i) pay away those investments to a registered charity of their choice; or (ii) liquidate those investments at market value and pay the proceeds to a registered charity of their choice.

A6.2 If any such transfer to charity is made, Platform Securities will keep records indefinitely relating to the transactions and attempts to contact you and unconditionally undertakes to pay you the amount equal to the market value of the investments in the event that you or your legal representatives subsequently claim those investments.

A6.3 In the circumstances where Platform Securities has held a client money balance for you for at least 6 years following the last movement on your account (disregarding any payment or receipt of interest, charges or similar items) and providing that Platform Securities has taken steps to trace you and return the client money balance to you, Platform Securities may pay away that client money balance to a registered charity of their choice.

A6.4 If the amount of the client money referred to in 6.3 is £25 or more, Platform Securities will keep records indefinitely relating to the transactions and the attempts to contact you and unconditionally undertakes to pay you or your successor or assignee an amount equal to the client money balance so transferred

in the event that you or your legal representatives subsequently claim the client money balance.

Settlement

A7.1 If, when settlement of a transaction under **these Terms** is due, there is insufficient cash in cleared funds in your cash account, or securities due for delivery have not been transferred to Platform Securities if in dematerialised form or the relevant certificate or other document of title and any stock transfer form or other instrument of transfer properly executed has not been delivered to Platform Securities for you in sufficient time to enable Platform Securities to meet the settlement obligations from your account, it may nevertheless settle the transaction, although it is under no obligation to do so. If Platform Securities settles the transaction, you or, failing which, we shall forthwith pay or transfer to Platform Securities within such timescale as they may specify, sufficient cash or, as the case may be, securities to reimburse Platform Securities for any shortfall plus debit interest payable from the due date until payment to Platform Securities at the rate of 9% above the Bank of England Base Rate on any sum overdue or otherwise due to Platform Securities. You or, failing which, we shall also, on demand by Platform Securities, reimburse them for any commission charges payable, interest or other expenses they have incurred in settling the transaction prior to receiving such cash or securities including any administration charge made by Platform Securities.

A7.2 If Platform Securities elects to settle a transaction for the sale of securities when there are insufficient securities in your account to enable the settlement obligations to be met from that account, Platform Securities may at any time before receiving sufficient securities to reimburse it for the shortfall, purchase such securities in the market. If it does so and the cost of purchasing the securities is greater than the amount received by Platform Securities on the settlement of the transaction, you or, failing which, we shall, instead of delivering such securities to Platform Securities pay to Platform Securities an amount equal to the difference (together with any commission or other fees or expenses that are due to Platform Securities). In any event, Platform Securities may debit the amount received on the settlement of the transaction from your account and apply such amount against the purchase or other costs or charges incurred. Any stock borrowing charges, or other expenses Platform Securities has incurred in settling the transaction prior to effecting such market purchase shall continue to be payable by you or, failing which, us, to Platform Securities.

A7.3 In the event of any failure by you or us to make payment or delivery in accordance with the provisions of this Paragraph 7.3, Platform Securities may exercise any of the rights or remedies available to it under these Schedule 1 terms, or otherwise including, without limitation, any of the rights or remedies set out in this Schedule 1.

A7.4 All transactions will be due for settlement in accordance with market requirements (as shown on the relevant contract note or advice). On your behalf, we shall ensure that Platform Securities will receive all cash and securities when due with respect to any transaction which it is to settle on your behalf and we will warrant that all cash or investments held by, or transferred to, Platform Securities will be and remain free of any lien, charge or encumbrance. All payments due to Platform Securities will be made without set off, counterclaim or deduction. All cash and investments held or transferred to Platform Securities (or its nominees) will be subject to a first fixed charge by way of security for you to Platform Securities. We will ensure on your behalf that all money due to us and all documents are received by us or Platform Securities by the due date to enable settlement of a transaction executed on your behalf.

A7.5 You acknowledge and accept that in settling transactions on your behalf, Platform Securities is acting as agent on your behalf and that Platform Securities will not be responsible for any default or failure on the part of any counterparty to a transaction. All currency exchange risk in respect of any transaction in overseas investments shall be borne by you. The default currency for accounts is Sterling (GBP) and transactions will be settled in GBP unless you give a specific instruction otherwise. Platform Securities and any other parties involved in providing the currency exchange transaction to us may earn revenue. This revenue is based on the difference between the applicable bid and offer rates for the currency and the rate at which the rate is offset either internally, with a related third party, or in the market.

Security

A8.1 You hereby charge by way of first fixed charge, with full title guarantee and grant a pledge over and a general lien and right of set off with respect to all securities, documents of or representing title to property, and all cash or other assets of any nature held by or subject to the control of Platform Securities (and its nominees and custodians) for your account (including, without limitation, the benefit of all contractual rights and obligations and any proceeds of sale) as continuing security for the performance of your and our obligations hereunder and for the payment of all sums that become due to Platform Securities from you or us (to the extent it is acting as agent for us). Such charge shall, without limitation, include: (i) a first fixed legal charge over all securities held for your account from

time to time in respect of which title has been transferred to Platform Securities (and its nominees and custodians); (ii) a first fixed equitable charge over all certificates or documents of title relating to securities held from time to time for your account by or to the order of Platform Securities; and (iii) a first fixed charge over our rights in respect of any securities which are held by Platform Securities (or to its order) for our account.

A8.2 Platform Securities shall have, to the greatest extent permitted by law, all of the rights of a secured party with respect to any cash or other assets charged to it and you and we will, at the request of Platform Securities, take such action as may be required to perfect or enforce any security interest and each irrevocably appoints Platform Securities as their attorney to take any such action on their behalf.

A8.3 You hereby confirm that all cash, securities or other assets of any nature transferred to or held by Platform Securities (and its nominees and custodians) for your account are your sole and beneficial property or are transferred to or held by Platform Securities (and its nominees and custodians) with the legal and beneficial owner's unconditional consent and free of such owner's interest and, in any event, will be transferred to or held by Platform Securities (and its nominees and custodians) free and clear of any lien, charge or other encumbrance and undertake that neither you nor we will charge, assign or otherwise dispose of or create any interest therein.

A8.4 You agree that if you or we fail to comply with any of our obligations to Platform Securities, all relevant charges as disclosed in this Schedule 1 shall be enforceable and the powers conferred by Section 101 of the Law of Property Act 1925 (as varied and extended by this Agreement) shall be exercisable. Section 103 of the Law of Property Act 1925 shall not apply to this Agreement. In such circumstances, Platform Securities may without prior notice to you or us and free of any interest of yours or ours, sell, charge, pledge, deposit, realise, borrow or otherwise deal, with any securities or other assets Platform Securities (and its nominees and custodians) are holding for your account on any terms it considers appropriate. The proceeds of any sale or realisation of such securities or other assets and any moneys from time to time deposited with or held by Platform Securities (and its nominees and custodians) under this Agreement, shall be applied towards the satisfaction of your liabilities (or ours) to Platform Securities.

A8.5 Platform Securities shall have no liability whatsoever to us or you for any loss or liability or loss of profit or gain incurred or suffered by us or you in consequence of any exercise by Platform Securities of any right or remedy hereunder; and any purchase, sale or other transaction or action that may be undertaken by Platform Securities shall be at such price and on such terms as Platform Securities shall, in its absolute discretion, determine.

A8.6 In exercising any right or remedy pursuant to this Schedule 1, Platform Securities is authorised to effect such currency conversions and enter into such foreign exchange transactions with, or on behalf of, you or us, at such rates and in such manner as Platform Securities may, in its absolute discretion, determine.

A8.7 We undertake that we will not take security over any of your cash or securities or otherwise assert any lien, right of set off or encumbrance over such cash or securities in priority to any rights of Platform Securities whether arising under Terms or otherwise.

Commission account

A9.1 On the execution of any bargain, instruction or order or on the occurrence of any other event which gives rise to requirement that you pay commissions, fees and charges to us, Platform Securities shall transfer, from the relevant cash account to a commission account opened in our name, the amount due from you concerned, to us calculated at the rates notified to Platform Securities by us from time to time.

A9.2 The rates of commissions, fees and charges levied by us will be as agreed between us in writing and it will be our responsibility to keep Platform Securities informed of such rates and any changes to them. Platform Securities will use all reasonable efforts to make necessary changes in its systems to accommodate any change in the rates of commissions, fees and charges levied by us but no change in any such rate will be implemented by Platform Securities until it has notified us that the necessary changes have been made to collect such commissions, fees and charges at the new rate. If Platform Securities is unable to collect any such commissions, fees and charges it will be our responsibility to calculate such commissions, fees and charges and notify Platform Securities of the amounts due and the time or times at which such commissions, fees and charges are to be collected.

A9.3 You and we will have no entitlement to any credit balance on our commission account. Our sole right will be for payment of such amounts which are due to us in accordance with arrangements agreed between us and Platform Securities. Platform Securities may deduct from our commission account any amount that is due to it under the Platform Securities Agreement, whether for settlement purposes or otherwise, and apply the amounts so deducted in or

towards satisfaction of any sum due. Interest will not be paid on our commission account.

Payment and Set-off

A10.1 Payment of all amounts due to Platform Securities from us or you are due on demand and shall be paid without set-off, counterclaim or deduction.

A10.2 Platform Securities may set-off, transfer or apply (with or without prior notice) any indebtedness, liabilities or obligations of Platform Securities to you or us, or any credit balance (whether or not then due and payable) on any account that has been opened in the name of you or us under **these Terms** (including, without limitation, our commission account and security deposit) and any accrued interest in or towards the satisfaction of any indebtedness, liabilities or obligations or any sum that is due from you or us to Platform Securities in any respect whatsoever (whether or not expressed in the same currency and including, without limitation, any payment of fees or charges due to Platform Securities and payments pursuant to any indemnity). For the avoidance of doubt: (i) any reference in this Paragraph 10.2 to any indebtedness, obligations or liabilities shall include all indebtedness, obligations or liabilities of any nature, whether present or future, actual or contingent, primary or collateral, several or joint, secured or unsecured; (ii) Platform Securities is not obliged to exercise its rights under this Sub-Paragraph 10.2, which are without prejudice to any other rights to which Platform Securities is otherwise entitled; and (iii) Platform Securities shall be entitled to combine or consolidate accounts for any of the purposes set out above or otherwise in connection with the exercise of its rights hereunder.

A10.3 Where any set-off, consolidation, combination or transfer requires the conversion of one currency to another, such conversion shall be carried out at such rates and in such manner as Platform Securities may determine.
